Dear Parents and Carers,

It's been a week of rehearsals! The Year 6 Production and preparations for the Maypole and Country Dancing for the Summer Fair (not to be missed) have filled the school with all aspects of performing arts. We are, like you no doubt, looking forward to both events. Approximate timings for the Summer Fair entertainments have gone out separately in a parentmail. Thank you in advance to all the PTA for their preparations to what will be a very successful and enjoyable event.

As always the raffle ticket sales have motivated a healthy competitive spirit among some of the classes. The current tally stands as follows -

Yew Class parents join us for lunch

We welcomed parents from Yew Class into school this week to try our tasty school lunches; on the menu, margarita pizza or salmon. Thank you to all of you for coming, as well as to our kitchen staff for their hard work for this event. Unfortunately much of the lunch hour was rained off but parents and children didn't let that dampen their spirits. The parents' lunch events have been highly successful so we plan to replicate this during the next academic year.

A message from the kitchen

I would like to take this opportunity to say a big thank you to all of the parents who came into school over the last six weeks to have lunch with their child. This was something we hadn't done before and I wasn't sure it would work – but it did! It has been interesting for me as a cook to find that some parents didn't realise that most of the food is cooked from scratch by myself and Claire. We have had lots of lovely comments about the food and how lunchtime is organised in general. All the feedback we received has been passed to head office. A BIG thank you! Louise Woodhouse, Cook Supervisor.

Morning Drop offs

As always our summer weeks have been jam packed with activities that spread beyond our curriculum possibly bringing more of you through the gates in the morning. This is a polite reminder to parents that messages can be passed onto Mrs Bevis, Mrs Chadwick or a senior leader on the gate in the morning. Alternatively, an email can always be sent via the address below or an appointment made at a convenient time with the class teacher.

Dog Owners

While many of us are dog lovers, we have to appreciate that this doesn't necessarily apply to all. A polite request to our families that bring their dogs on the school run: Could you please tie your dog up away from the main entrance into school so any children fearful of dogs can make their way into school with ease. Many thanks.

Summer Fair News

Only one day to go until the Summer Fair! We have seen some delicious cakes make their way into school today. Thank you to all for your tasty donations.
