Home Learning Activities

Home Learning —W.C 18th December

Could all children please return their library book this week.

Spellings

Children will receive between 5-10 spellings each week. Each week the spellings words relate to our phonics learning. The spelling test will take place every Friday in the back of their books and new spellings put in the front for the following week.

High Frequency words

All the children should now have a High Frequency Word (HFW) list. These lists contain some of the most regularly used words in the English language so it is really important that the children know these by sight as they occur so frequently in their books. When your child knows the list (by sight), then please ask your child to return their sheet to school, with their name at the top, and give it to Miss Surtees. She will then test them and if possible, move them onto the next list. Your child will receive a certificate for every list they achieve in Celebration Assembly.

Reading

We will be checking regularly to see if children are ready to go up to the next book band. Children will read to an adult in school at least once a week. Please encourage your child to read as often as possible at home. It is also important to ask them questions about what they have read, to see their understanding of the text.

Please note that the book band targets have been changed to reflect the new curriculum and are now the same for each book band. The idea being that children are to master each target several times on progressively more challenging texts.

This week our spelling test will be on Thursday and there will be no home learning or spellings over the Christmas holidays.

We would just like to wish you all a restful and peaceful Christmas.

Thank you for all your support,
Miss Priest and Miss Surtees
