

Yew Class Weekly Newsletter

Week beginning: Monday 18<sup>th</sup> December 2017

**Literacy:**

We have limited time this week due to our Carol Service. The children complete their poems on the Christmas Truce and have a comprehension, where they will be using a think- aloud technique to annotate the text with their thoughts and inferences.

**Maths:**

This week, the children draw 2D shapes with given dimensions and angles. They then describe positions on a coordinate grid.

**Topic: Lest We Forget**

**Topic:** The children examine different sources on the Christmas Truce and discuss why people had different opinions on it.

**RE:** The children communicate their understanding of interpretation. They take part in an activity where they are given a word to depict in a drawing, after which they find the person that had the same word and compare their interpretations.

There is no home learning this week. Home Learning books (the ones that were handed in on time) are being kept at school ready for next term.

Miss Newell, Mrs Cohen and I wish you and your families a lovely festive season and holiday.  
Mrs Aitken
